About Me

<https://adryanfrey.vercel.app>

I am an aspiring software engineer with a strong passion for technology and a desire to learn and grow in this field. While I do not have a formal degree in computer science, I have spent the last year learning as much as I can about web development through online courses, self-study, and participation in coding projects. I am eager to apply my skills and knowledge to a professional setting and am excited to start my career as a software engineer.
